WESTSIDE MEN'S FELLOWSHIP

By Pastor Timothy Chow

As WAC moves into 2009 and focuses on making disciples so that every member experiences true transformation even so all men in WAC need to also emphasize on this direction.

An effective men's ministry needs to provide an atmosphere and environment where men feel safe to be open and transparent before their fellow mates. We must cultivate an environment where men can be changed by the power of God. As men become spiritually awakened they become more active. This is always a challenge in all churches. The common excuse men give for not being more connected and involved actively in church is that they are simply too busy. But this is simply not true. Men must and can become disciples. In fact they should be model disciples in any church. They can become workers and ministers in the community. It is all an issue of choice, commitment and decision that comes as a result of God touching their lives and hearts.

Men are desperately needed in the community of believers, in their homes, in the marketplace and even in government. We need men who are strong in the Lord and exhibiting the character and conduct honouring of Christ his Lord.

Men have needs and struggles and can do well with fellow pilgrims who can encourage them and also offer Godly counsel and support as they live out their Christian life in a very hostile and ungodly world.

WAC in 2009 will be encouraging men to form support groups. I myself will be starting a mentoring group of some key men and hope that the ripples will grow and spread to more groups in due time.

EVERY MEMBER A FRUIT BEARING DISCIPLE

Let me challenge all men in WAC to start by making an effort themselves to connect with at least another one or two just to have fellowship with on a regular basis. Let God then lead us to spend some time to share God's Word together and to pray for one another. Join the WDT and be grouped into the men's groups.

Let WAC Men take our discipleship seriously and may the Lord cause us to grow and be transformed to be more like Christ. It is time for Men to SHINE and SPEAK for Jesus!
